INFORMATION DISCLOSURE STATEMENT

Dear Sir:

Pursuant to Sections 609 and 707.05(b) of the MPEP and 37 CFR 1.97-1.99, copies are herewith submitted of documents which may be pertinent to the invention as claimed in the above-identified application. The attached form PTO-1449 lists these documents.

Certain patents contained in the accompanying information disclosure statement were cited in a communication from a foreign office in a counterpart foreign application not more than three months prior to the filing of the information disclosure statement. A copy of the Search Report is enclosed. Certain other patents that may be considered pertinent are also cited.

The citation of these documents should not be construed as a representation that a thorough search has been made, or that other, more pertinent material is not available.

Respectfully submitted,

Harry F. Smith
